We sent 10 boys and 20 girls to Region 1 ODP Camp. Chelsey Maiden (1991) made the Regional Girls team - this is Chelsey's second year making the Regional Pool. Gabi Mascaro and Hannah Abraham (both 1996 girls playing with the 1995 team) made the 1995 Region 1 Girls team.

There were 11 full-time coaches on the boys side – 9 of which were college coaches; 10 full-time coaches for the girls – 6 of which were college coaches; and we had 7 part-time staff members who worked with the teams, 6 of which were college coaches.

The teams got together at least once each month to train or participate in events. All boys teams went to North Carolina and competed in the ODP Friendlies. The 95 & 96 girls had scrimmages against the PAWest ODP teams. The 1996 girls got together on their own and participated in 4 indoor tournaments. All players were invited into minicamp and had the opportunity to train with our staff as well as 6 Region 1 staff members. And the 1991 boys (and some 1992 players) had the opportunity to compete against the India National Team in July of this year.

Bob Gray, Barry Christmas, and Peter Underwood – ODP staff – were all asked to be Region 1 coaches at summer camps this year on the boys side. Tina Mascaro worked the girls camps as an administrator for the third straight summer.

The ODP budget came out in positive again for a second year and is available upon request. We provided 15 players a total of \$6200 in scholarship funds.
