Call to order by Dick Moore at 8:30pm

Copies of the prior meeting minutes June 2, 2006 were passed out.

1. Discussion pertaining to a proposal by Harry Foose to raise the fee charged for referee classes was held.

The proposed rates were: (1) New Referee Clinic (Grade 8) \$100 to \$120
(2) Recertification Clinic \$25. to \$30
(3) One-day Clinic (Grade 9) \$50 to \$60

A vote was held and the measure passed allowing the new rates.

2. It was asked that no one use the online registration via the US Soccer web site. There is a problem collecting the fees due WV Soccer and by not utilizing the online system WV Soccer is assured of receiving their fees.
3. A “years of service pin” discussion was held. This issue was tabled by the committee.
4. A discussion pertaining to penalty fees for registering late for recertification was held and the proposal was tabled. Recertification is suppose to be completed by December 31 of each year.
5. David (Dietz) Latimer has resigned as State Assignor. Referee assignors are being sought for State Cup, Open Cup and WAP’s league. Those interested contact Dick Moore. For the current Open Cup tournament the assigning was broken up to 5 or 6 assignor’s. It seems to be working. Our thanks to Ron Rogillio for heading up the tournament assigning.
6. Some District representative positions are currently open.

The meeting adjourned at 9:30pm.
