

## **WVCRSL User ID and Password Information**

Upon submission of your team's registration, the person chosen as Primary Contact will receive an auto email with a User ID and Password.

Use the link below with the User ID and Password you received to update your listing of players and to print your Official "Rivers" Roster prior to competition in WVCRSL.

<https://www.youthleaguesusa.com/wvsa/10-11/rivers/Database.htm>

A printed Official "Rivers" Roster and completed signed player pass cards are required at all WVCRSL games.

If you are the Primary Contact for your team and you have lost your email or you are having problems with your user ID and password or roster, please email Jude Greene with your team id # and your problem or question.
