Re: WWSA RTP Memo

Fr: Dave Laraba - WWSA Executive Director

WWSA has been informed by the WV Governors Office that the guidance for fall sports has been updated to state that effective immediately No practices, games, tournaments or events may be held in WV, until at least 1/11/2021.

The Governor's Order is clarified as follows:

1. Sports typically played during the fall season were directed to finish their seasons if such seasons were concluding within a few days, and, otherwise, congregation of any sports teams or leagues was to be suspended and prohibited until, at the earliest, January 11, 2021.
2. This suspension of sports for the remainder of the fall season and during early winter shall not apply to sports teams or leagues conducted by accredited higher education institutions.
3. At this point in time, there should be no players and/or spectators congregating as part of a team sport or league in any common area within this state, and no practices, games, or other competition shall be held in this state until, at the earliest, January 11, 2021, unless conducted by an accredited higher education institution.

We will provide further guidance as we receive additional information from the Governor's Office.

Here is a form to be used by WWSA clubs to report COVID issues:

<https://www.surveymonkey.com/r/DWGJC2S>

WWSA clubs must adhere to the rulings and policies of the WV Governor's Office and local county health departments for the medical, general liability and D&O insurance coverage to be valid.

If you have any questions or concerns on how to proceed, please contact WWSA Executive Director, Dave Laraba, at dave@wvsoccer.net
