Full practice may begin on **2/14/2021** and all WVSA sanctioned activities will be allowed starting on **3/1/2021**

All WVSA Policies on Return to play are still in force. Including:

All coaches must always wear a mask except when actively involved in training on a field.

All players, coaches and administrators must always wear a mask and social distance on the sidelines during training or games and while going to and from the field.

All spectators, when allowed, must always wear a mask and social distance.

All participants must complete the WVSA Screening Tool on paper or online for each event.

Local and County Health Department policies must be followed.
