Fr: Dave Laraba - WWSA Executive Director

Its been a rough few months but!!! WWSA has received the go ahead from our insurance carrier to resume, per the order of WV Governor Justice, for Sanctioned WWSA Outdoor and Indoor Sports practice to resume starting 2/14 and games to start on 3/3. Participation by Players, coaches and Administrators is voluntary!!

WWSA will continue to monitor information and policy updates from the Governor's Office. And will keep everyone updated.

All WWSA Policies on Return to play are still in force. Including:

All coaches, players and administrators must always wear a mask when not actively on a field for training or games. Per WV Governor justice players age 9 and younger are not required to wear a mask, but they can wear a mask.

All spectators, when allowed, must wear a mask and social distance.

All participants must complete the WWSA Screening Tool on paper or online for each event.

All policies of events and venues must be followed.

Local and County Health Department policies must be followed.

DO NOT LET YOUR GUARD DOWN!!!
