Re: WWSA Return to Play Plan Memo to WWSA #4

Fr: Dave Laraba - WWSA Executive Director

***Update on actions taken by the WWSA Board of Directors at their meeting on 6/9/2020.

The start of Phase 2 has been incredibly positive with players getting back on the field. Reminder to all clubs to continue to educate Coaches, club officials, players, and parents.

1. Social distancing of 6 feet when off the field, including traveling to and from the parking lot and at all times off the field.
2. Coaches and all club personnel are required to wear face masks during all activities.
3. No team huddles or groups closer than the 6ft social distancing at any time.

Phase 2 Update: The main principle of Phase 2 is the 10 ft distance between players. The player grid can be 10x10 (or more) as long as there is a 10-foot distance on all sides of each grid, (ie. 10x10, 10x20, 10x30 etc.). The length can change, but not the width (10ft).
