Re: WVSA Return to Play Plan Memo to WVSA # 5

Fr: Dave Laraba - WVSA Executive Director

**WVSA Phase 3 continues until 6/25/20 - Please review the Phase 3 policies. Please adhere to all policies and guidelines to minimize the opportunity to spread COVID-19.**

**WVSA Phase 4 is scheduled to start on 6/26. Guidance will be updated and sent to all clubs and members following Tuesdays, 6/23/2020, WVSA BOD meeting. Anyone not normally part of the BOD / Staff / RTP calls should contact [kristi@wvsoccer.net](mailto:kristi@wvsoccer.net) for the call information**

**Most restrictions and requirements from Phase 2 remain in effect for Phase 3 except the 10-foot distance between players on the field and the type of activity that may be a part of team training. WVSA would like to thank everyone for following WVSA Return to Play Polices and ask you to continue to follow the plan!!**

1. If the facility you are using allows spectators to be out of their cars, **PLEASE** remind them that they must practice social distancing between non-family groups. Also, they must not be in areas around where teams are gathering before and after training.
2. Spectators and those waiting for the next training session must not congregate around the entrances, restrooms and other common areas.
3. Social distancing of 6 feet when off the field, including traveling to and from the parking lot and at all times off the field.
4. Coaches and all club personnel are required to wear face masks during all activities.
5. No team huddles or groups closer than the 6ft social distancing at any time.

If you have any questions or concerns on how to proceed, please contract WVSA Executive Director, Dave Laraba, at [dave@wvsoccer.net](mailto:dave@wvsoccer.net).
