Re: WVSA Return to Play Plan Memo to WVSA #2

Update on Waiver and WVSA Screening Questions and Tool

Due to confusion about the waiver and the screening questions, we have taken the waiver question off the screening tool.

In order to reduce confusion concerning when the waiver must be completed WVSA Clubs will be responsible for verifying that each player, coach and other club officials has completed the waiver.

The waiver must be completed only once this season and may be done through Affinity.

The screening questions must be asked prior to each team activity and each club may use an online app or form the printed form as they chose.

The updated screening tools is on the WVSA Return To Play Information Center.

If there are any questions on how to proceed, please contact WVSA Executive Director, Dave Laraba, dave@wvsoccer.net.
