Re: WWSA RTP Memo # 15 for clubs

Fr: Dave Laraba - WWSA Executive Director

WWSA has created several additional field signs for use by member clubs. The signs are located on the RTP Information Center. <http://www.wvsoccer.net/rtp/>

WWSA continues to work with USYS, other state associations and the WV Governor's Office to provide guidance to WWSA members as the fall season gets underway. Please be sure to follow all State of WV, your local Health Department and WWSA Policies as you Return to Play. The only way we can keep our players on the fields are to follow the guidelines. Call or email dave@wvsoccer.net with any questions.

The WWSA Board of Directors has tabled any decision on WWSA adopting the WV Color Code System until the next meeting on 9/8. WWSA has reached out to the Governor's Office for clarification on the affect that the new color code system will have on non-school sports. As soon as we receive a response, we will send out the information. Several clubs have reported that local health departments have stated they intend to follow these guidelines for all non-school sports. Clubs should check with their local health departments to learn of their requirements. WWSA Clubs please notify kristi@wvsoccer.net of any restrictions imposed by your local health departments.

All WWSA Clubs are reminded to enforce social distancing and the wearing of masks per WWSA Policies. WWSA Clubs and events are able to make exceptions per the Gov order for those who can\ot wear a mask.

The WWSA policy does not apply to parents or spectators but the wearing of masks is highly recommended. In the Memo Club Members refers to Club staff, BOD etc.

If you have any questions or concerns on how to proceed, please contact WWSA Executive Director, Dave Laraba, at dave@wvsoccer.net.
