Re: WVSA Return to Play Plan Member Memo #3

**WVSA Phase 3 starts on Monday 6/15/20 - Please review the Phase 3 policies.**

**Most restrictions and requirements from Phase 2 remain in effect except the 10-foot distance between players on the field and the type of activity that may be a part of team training. WVSA would like to thank everyone for following WVSA Return to Play Policies and ask you to continue to follow the plan!!**

1. If the facility your clubs are using allows spectators to be out of their cars. PLEASE be reminded that everyone must social distance between non family groups. Also spectators / parents must not be in areas around where teams are gathering before and after training.
2. Spectators and those waiting for the next training session must not congregate around the entrances, restrooms and other common areas.
3. Social distancing of 6 feet when off the field, including traveling to and from the parking lot and at all times off the field.
4. Coaches and all club personnel are required to wear face masks during all activities.
5. No team huddles or groups closer than the 6ft social distancing at any time.

WVSA has created a Return to Play Information Center that contains guidelines, policies, and resources for WVSA clubs, coaches, parents, and players. You can find the resources at:

<http://www.wvsoccer.net/rtp/>

These resources will be updated as needed, so please check back often. WVSA clubs may start using this resource to prepare the club, coaches, parents, and players for the return to play. WVSA will notify all clubs when additional guidance is released.

WVSA clubs must also follow the regulations of your local County Health Department and local government in starting to return to play. WVSA clubs must also follow guidelines established by your local facilities for return to play.

Each WVSA club and member must decide whether to resume play. Return to Play is voluntary and the decisions of clubs and/or members must be respected.

WVSA would like to thank all clubs and members for their understanding during these past 3 months. Please continue to be safe and healthy.

If there are any questions on how to proceed please, contact WVSA Executive Director, Dave Laraba, [dave@wvsoccer.net](mailto:dave@wvsoccer.net).
